### **Payment by direct debit**

Direct debit is easily the most efficient means of payment for both you and the Society alike and the scheme the Society operates can cover all fees and orders. For the Society, this means no cheques or cash to account for and so greatly reduces the time taken to process orders.

Benefits to you include:

- Payment of regular fees (eg. annual subscriptions) is paid automatically.
- All other payments can be made by direct debit, so there is no need to send cheques/cash with your order.
- You can enjoy interest-free credit for up to six weeks depending on when orders are placed.
- Orders can be made by telephone.
- Banks charge much less for processing direct debit mandates than for cheques.

If you pay by direct debit you receive an invoice each month detailing the goods/services ordered and the date on which the total amount due will be debited from your account. At least ten days' notices of debiting is given, allowing ample time to query any aspect of the invoice; in the unlikely event of this being necessary. Furthermore, you are completely covered by the strict conditions governing direct debit schemes whereby debits made erroneously are immediately reimbursed by the bank.

Naturally, you are under no obligation to allow us to direct debit your account and other means of settlement are available. However, we urge you to take this opportunity to simplify your payment arrangements by completing and returning the instruction overleaf as soon as possible.
